Notes

Measure your actual product for rough-in details. Install this product according to the installation instructions.

The hot water supply should be 70% of the capacity of the bath or greater. Installations will vary.

This product is designed for drop-in installation only. It is not suited for use in a three-wall alcove with an overhead shower.

Remote blower installation kit is available for relocating the blower. Provide access for servicing the blower.

Do not relocate or alter the PVC tee or coiled flexible tubing connected to the blower. Follow the blower relocation instructions exactly.

ADA compliant when installed to the specific requirements of these regulations.
